Sponsorship and Exhibition Opportunities @ SBDD XXXI

Over the last three decades, SBDD has become the yearly early bird venue where diamond researchers come together to discuss the latest developments in this fast-moving field. With the annual attendance now easily exceeding 270 researchers from more than 25 countries worldwide, SBDD is an annual early-season meeting for the international diamond research community!

SBDD offers you the opportunity to interact for three full days with leaders in the field of CVD diamond in an informal setting. Extended coffee and lunch breaks, and two dedicated poster sessions will allow ample time to network with attendees, present your company, and promote your product range. Several levels of sponsorship are available, as detailed below.

Important!

None of the below options include the registration of you or your colleagues!

Conference fee "SBDD XXXI" €350

This fee includes welcome & poster receptions, coffee breaks, and lunch during the three days of the conference.

Conference dinner "SBDD XXXI" (optional) €85

Feel free to contact us at sbdd@uhasselt.be to discuss all options in detail or with any further questions you might have!
